## Why **ACE Exhibitions**

The Coat India Show 2025 is a forum for doing business, reconnecting with old clients and helping your business navigate the coming year. There is no channel more direct and impactful than exhibitions and expos.

### **GENERATE QUALITY LEADS**

Exhibiting at Coat India Show 2025 will help businesses generate more leads than any other conventional method over the course of 3 days. This will help to attract new clients, meet business objectives quicker and expand business horizons.

### **RE-ESTABLISHING OLD CONNECTIONS**

The time at the event provides the opportunity to meet thousands of stakeholders from the global coatings industry. Face-to-face interactions and meetings will help establish business relationships that can be nurtured into business partnerships.

### **EXPOSE YOUR BRAND TO A TARGETED AUDIENCE**

If one of your objectives is to increase awareness of your brand within the coatings industry in India and globally, then exhibiting at the Coat India Show 2025 offers you a distinctive opportunity to do so by placing your brand in front of expert industry professionals.

## About The **Expo**

With 3 successful editions in New Delhi, COAT INDIA Show has established itself as one of the promising events for connecting the coatings industry in India. For three days, the trade exhibition facilitates serious business and networking opportunities for the coatings community.

After the three successful editions, Ace Exhibitions is pleased to announce the 5th edition of the Coat India Expo 2025 - scheduled from 21st to 23rd August 2025, Hall No-11B, Bharat Mandapam (Pragati Maidan), New Delhi (India)

The event creates the perfect environment for manufacturers, raw materials suppliers, distributors, buyers and technical specialists like formulators from the coatings industry to meet and do business in profitable collaborations. That's not all, the event offers the opportunity to gather insight on the latest processes, exchange ideas with industry leaders and build a strong network in the region.
